

ORANGEREVOLUTION

*Another story of nonviolence in action from the director of **A Force More Powerful**.*

It's been 5 years since Ukrainians gathered in the streets to defend their votes, an event that transformed their country and sent a message to the world about the power of ordinary people.

This story is now told in the documentary, ***Orange Revolution***, coming to KQED and KRCB.

What would you do if your vote were stolen?
